UPGRADE CYCLES & LONG TERM SUPPORT

Ensuring Budget Predictability

TYPO3

TYPO3

THE IDEAL CMS FOR STABILITY, DURABILITY, AND LONG-TERM RELIABILITY
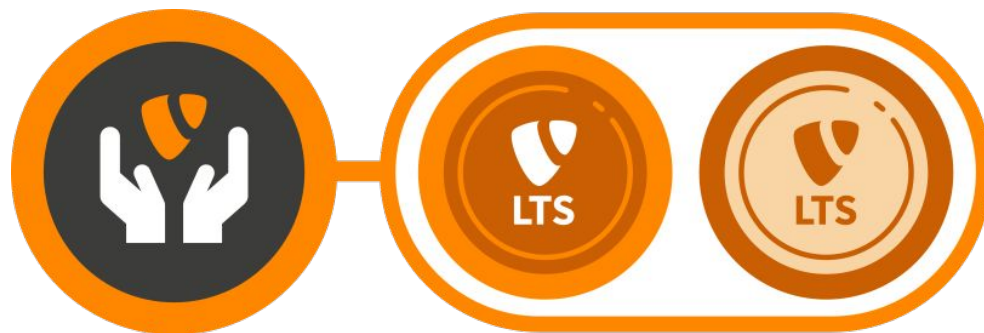

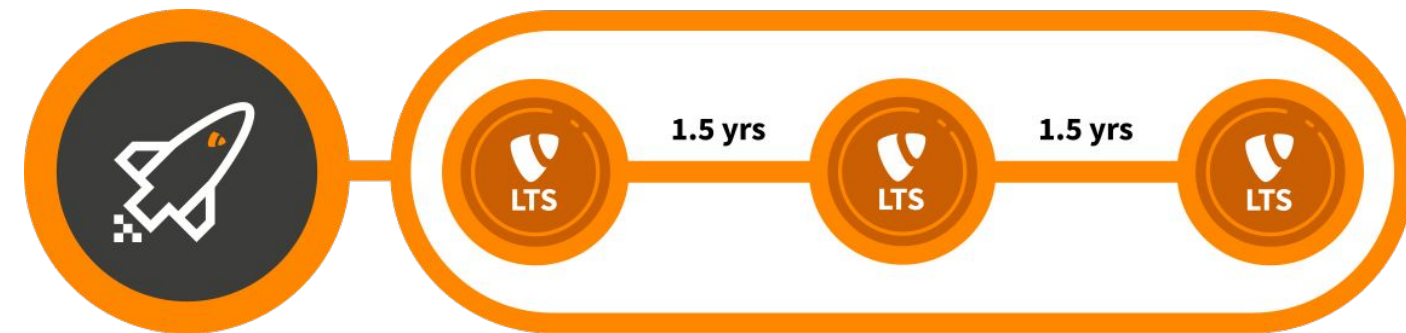

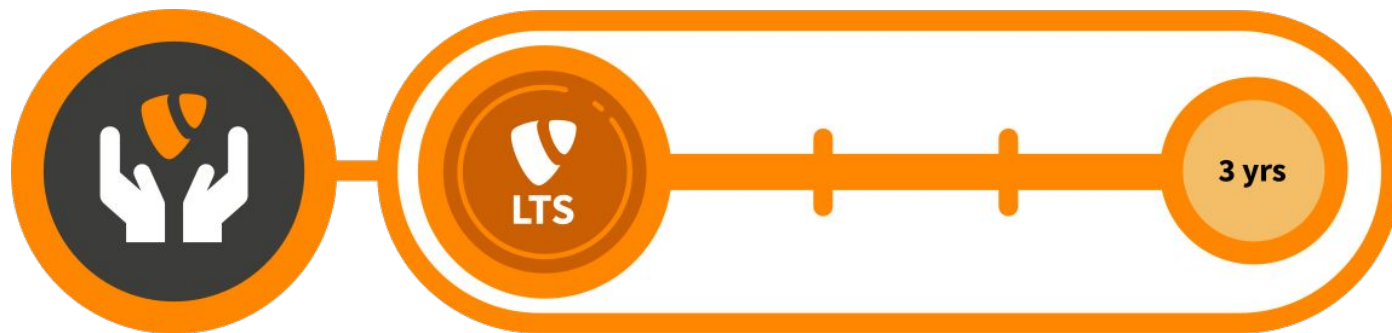

TYPO3

- Be sure to **keep rankings, traffic and trust**, because of reasons™.

- Mitigate risks with TYPO3's **professional Security Team**, proactive community, and long-term support.

- That's why your choice of **CMS impacts on your security**.

Predictability & security are the top priorities

Reliable and regular release cycles

- TYPO3 LTS versions always offer **3 years of support**
- New LTS versions are released **every 1.5 years**
- Two major versions are always officially supported at a time

UP TO SEVEN YEARS OF MAINTENANCE AND SUPPORT

Free TYPO3 community support for **3 years**
- 1.5 years full regular maintenance
- 1.5 years priority bug fixing with security fixes and critical updates

Paid Extended Long-Term Support (ELTS)
available for up to **four additional years**.*

* 4th year of ELTS only available for TYPO3 Partners

Stability with a track-record of proven success

26+ Years of Experience

- **A resilient organizational structure** — a non-profit association, a commercial arm, and a vibrant professional open source community working harmoniously ensure TYPO3's future.

- **The TYPO3 Company** is the official software vendor and offers products, services,   and guarantees for TYPO3 CMS.

- **Consistent, on-time releases** and code quality underscore TYPO3's predictability and long-term reliability.
